TECH SKILLS

- Excel
- SQL
- Python: Pandas, NumPy, Matplotlib
- Tableau

COMPETENCIES

- Data Wrangling & Subsetting
- Statistical Hypothesis Testing
- Predictive Analysis & Forecasting
- Data Profiling & Integrity
- Geospatial Analysis
- Data Visualization & Storytelling
- Time Series Analysis
- Clustering & Segmentation Algorithms

EDUCATION

- **Data Analytics Program**
CareerFoundry 2024

LANGUAGES

- **Spanish** Native
- **English** Fluent

ABOUT ME

Trained in Excel, SQL, Python, and Tableau, with practical experience in data cleaning, analysis, forecasting, and basic machine learning. Familiar with Tableau for data storytelling to communicate insights effectively. Demonstrated strong work ethic, reliability, and a commitment to continuous learning and improvement. Eager to contribute and grow within a collaborative and data-driven environment..

PROJECTS

- **Market Analysis and Forecasting for Video Game Development**
Used Excel to predict video game performance and inform marketing development strategies.
- **Business Intelligence Support for Movie Rental Service**
Leveraged SQL to analyze customer data and identify patterns, supporting the launch of an online video rental service. Provided strategic insights for the Business Intelligence department to optimize decision-making.
- **Sales Pattern Analysis for E-commerce Grocery Platform**
Utilized Python and Excel to analyze sales data, uncovering purchasing patterns and customer behavior. Recommended customer segmentation strategies and targeted marketing initiatives based on data insights.
- **Influenza Response Planning for Healthcare Staffing**
Used Excel and Tableau to analyze flu spread data, optimizing resource allocation. Prioritized high-risk groups and created dashboards to guide decision-making during flu season.
- **Airbnb Market Analysis**
- **Anti-Money Laundering Compliance for Financial Institution**

WORK EXPERIENCE

Wein & Vinos | Production Line Worker

2020 - 2023

- Ensured high output rates, consistently ranking among the top 3 in package processing.
